## Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

## Listing of Claims:

## 1-23. (cancelled)

- 24. A method for collecting traffic information comprising:
  - tracking the location of a vehicle, including detecting when the vehicle traverses each of a plurality of segments of a road network; and
  - for each detected segment, comparing the vehicle's speed on the segment to a stored speed for that segment, and
  - if the vehicle's speed on the segment deviates from the stored speed, transmitting a traffic notification identifying that segment to a server.
- 25. A method for collecting traffic information comprising:
  - tracking the location of a vehicle, including detecting when the vehicle traverses each of a plurality of segments of a road network;
  - for each detected segment, logging traffic-related data, including data related to the vehicle's speed on the detected segment; and
  - transmitting the logged data to a server.
- 26. The method of claim 25 further comprising receiving a command from the server to enable logging of the traffic-related data.

27. The method of claim 25 further comprising receiving a request to transmit the logged data to the server.

- 28. A method for collecting traffic information comprising:
  - tracking the location of a vehicle, including detecting when the vehicle traverses each of a plurality of segments of a road network; and
  - for each detected segment, comparing the vehicle's speed on the segment to a stored speed for that segment, and
  - if the vehicle's speed on the segment deviates from the stored speed, transmitting a traffic notification identifying that segment to a server.

29-37. (cancelled)
